# RAAFIAH COLLEGE OF EDUCATION & PHARMACY

## PROSPECTUS (COMBINED)

## Courses: B.Ed | D.El.Ed | D.Pharma

College Run By: Sabera Foundation & Research Institute

Registered Education Society: Established in 2011

### 1. About Us

Raafiah College of Education, run by Sabera Foundation & Research Institute, is the latest in a series of educational institutes established with a vision to provide quality education. The college is guided by well-qualified and experienced faculty members who are long committed to excellence in education. It is a registered education society established in 2011, and was conceived with a clear vision for quality education by eminent teachers who are committed to delivering meaningful and effective learning.

Raafiah College of Education offers professional courses including B.Ed, D.El.Ed, and D.Pharma. The Bachelor of Education (B.Ed.) programme is a two-year full-time course based on four semesters, designed to prepare teachers for Upper Primary, Secondary, and Senior Secondary levels.

The Diploma in Elementary Education (D.El.Ed) is a two-year diploma course focused on primary teacher training, preparing candidates to teach students from Class I to VIII (ages 6–15 years).

The Diploma in Pharmacy (D.Pharma) is a two-year career-oriented programme designed for students aspiring to build a career in pharmaceutical sciences and the medical industry.

The institution was founded with an aim to provide quality education to deserving students from diverse backgrounds. The college evaluates students based on their ability, potential, and desire to learn and grow, and does not discriminate on the basis of gender, race, physical disability, or financial background.

The campus is located in a serene, tranquil, and pollution-free environment at Bisholi Road, Sahaswan near Daak Bungalow, Budaun, Uttar Pradesh, on the main road leading to Bareilly, away from the hustle and bustle of the metropolis.
